PC:

By this petition the petitioners challenge the show cause notice issued by the CIDCO asking the petitioners to show cause why the allotment of plot granted in favour of the petitioners be not canceled. The petitioners have given a detailed reply thereto and thereafter there is no further progress. The petition as filed today is obviously therefore prematured. The petitioners have several remedies open in the event of any adverse action taken by CIDCO in relation to the allotment already made. In such circumstances taking into consideration the right of the petitioners under the Right to Information Act, 2002 and Right to Information Act, 2005 respectively by the State of Maharashtra and Union of India report of the kind mentioned in the show cause can be demanded. When such remedies specifically made available exist we see no reason to interfere. Hence petition dismissed.
